

CONTENTS

1. Review Article: Nutritive value of the blue green algae *Spirulina platensis* emerging as a green remedy- A potent nutraceutical agent 3
- **SANDHYA KUMARI, RAGHBENDRA PRATAP AND M. C. VARMA**
2. Cyanobacterial diversity and their colonization at different temperature gradient in a remote hot spring of Jharkhand, India 12
- **S. K. DAS AND R. K. GUPTA**
3. Seroprevalence of *Helicobacter pylori* among Pregnant Women attending Ante-Natal Clinic in University of Maiduguri Teaching Hospital Borno State Nigeria 18
- **M. A. ISA, C. U. ONUGBU, A. U. BULAKARIMA, B. S. KOLO, I. MUHAMMAD AND H. DAWUD**
4. Study of some engineering properties of shelled *Moringa oleifera* seed 24
- **C. O. NWAJINKA, C. U. ONUGBU AND C. O. ONWURAH**
5. Biochemical investigations on the fresh water fish *Anabas testudineus* exposed to pesticide methyl parathion 33
- **ARTI KUMARI AND RISHIKESH KUMAR**
6. A template for substitution of Wheat flour with local raw material Cassava (*Manihot esculanta*) flour in Bread baking 36
- **C. O. ONWURAH, C. U. ONUGBU AND C. O. NWAJINKA**
7. Nutrition composition and sensory properties of Biscuits produced from blends of Bambara Groundnut (*Vigna subterranae*) and Cassava (*Manihot esculenta*) flours 41
- **C. U. ELOCHUKWU AND C. N. ONYEKWELU**
8. Microbiological assessment and sensory evaluation of Steamed African Yam Bean Paste (Moi-Moi) treated with Ginger, Garlic and Alkaline salt (trona) 48
- **NWAKALOR CHIZOBA NKIRU**
9. Effect of nuvan on histopathology of intestine of *Heteropneustes fossilis* (Bloch.) 53
- **MD. MANSOOR ALAM AND N. K. DUBEY**
10. Utilization of 4-HydroxyPhenylazo 2-Naphtholazo-4-Bromobenzene 56
- **REGINA ANYALEBECHI**
11. Taxonomic significance of external genitalia in *Urostyis pallida* Dall. (Pentatomidae: Urostylinae) 62
- **SUMAN KAPOOR**

12. Diabetes induced alteration in lipid profile of male albino mice and their recovery by using *Spirulina platensis* powder 66
- **SANDHYA KUMARI, RAGHBENDRA PRATAP AND M. C. VARMA**
13. Chemical and pasting properties of *C. esculenta* and four other soup thickeners flours in South Eastern Nigeria 73
- **IJEOMA CHIDOZIE NZELU**
14. Study on certain fungal diseases of indigeneous fishes of river Churni, West Bengal 81
- **LUCKY NANDY AND ASHIS KUMAR PANIGRAHI**
15. An agroclimatic approach for identifying sowing window and production potential of rainfed kharif maize in different districts of Bihar 86
- **A. SATTAR AND S. A. KHAN**
16. Endosulfan an organochlorine pesticide induced changes in blood and male reproductive system of mice 96
- **PRYUTTMA, RAGHBENDRA PRATAP, PUJA VERMA AND M. C. VARMA**
17. Soil types: Potential influence on *Ocimum sanctum* L .of Darbhanga revenue division (Bihar) 102
- **SUGAM KUMAR AND DILEEP KUMAR JHA**
18. Endosulfan induced sperm toxicity of mice and their amelioration by using *Phyllanthus emblica* 106
- **PRYUTTMA, RAGHBENDRA PRATAP, PUJA VERMA AND M. C. VARMA**
19. Effect of nuvan on histopathology of liver of *Heteropneustes fossilis* (Bloch.) 111
- **MD. MANSOOR ALAM, ARCHANA RANI AND N.K. DUBEY**
